The Mendocino County Library Strategic Planning Committee is surveying the public to help plan for the future. Community members have two ways to share their opinions and ideas regarding library services: 1. Take an online survey or fill out a paper survey at the library. The survey should take 7 - 10 minutes to answer and will close on December 1st, 2022. You can find the survey on the Mendocino County Library website at [Mendolibrary.org](http://Mendolibrary.org) 2. The second way to share your opinion is to attend a Listening Session in the Community Room at the Round Valley Library Branch on Tuesday, November 29th from 5 to 6 pm. The hour-long meeting will start with a short slideshow highlighting the programs and services currently provided at the branch. Light refreshments will be served.

7. Discussion and Possible Action: A revival of a valley news publication could be of great benefit to the community. How can the MAC help interested individuals ( Uma Hinman and Marianne English) get the ball rolling?
