re: Additional road services needed in the Round Valley Area

Dear Mr. Dashiell:

There are many street intersections in Round Valley which are unmarked or which have inaccurate or incorrect street signage. This is not only confusing for a person without prior knowledge of the area, but more concerning is the confusion caused to our emergency first responders.

Enclosed please find a list and narrative of necessary repairs, which includes their official county names and names as the roads are known locally,

Thank you for your kind attention.
