

BEHAVIORAL AND COMMUNITY HEALTH CENTER

Site Plan / Departmental Floor Plan

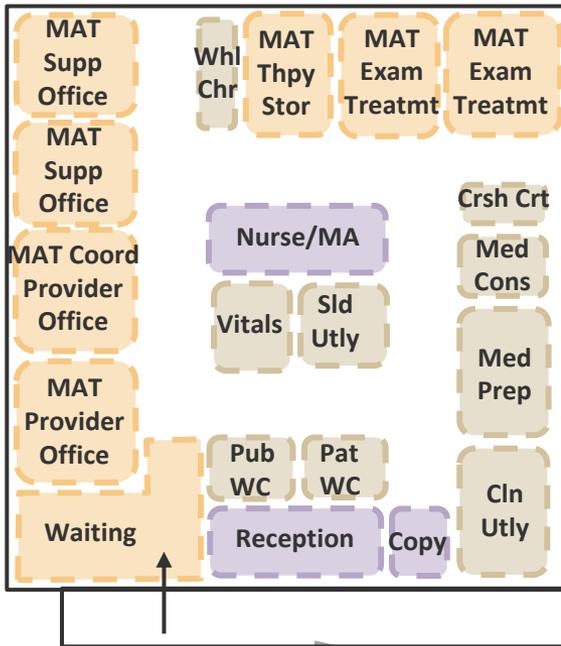

The Site:

- The Site measures ~ 117,600 square feet
- Based on total building area, recommended amount of parking spaces is 91. Site plan suggests 72 as demand may vary based on geographic location.
- If needed, additional parking should be developed on northern side of existing RVIHC lot.
- Cultural Outdoor Education Center and Green Spaces located north of the building
- Service Court and Deliveries located on the south side of the building
